Muzaffarpur

To,

All HOD's
Sri Krishna Medical College,
Muzaffarpur

Muz. Dated -

Subject – Regarding Academic Activity / UG & PG Teaching in All Department

Respected,

It has been observed that regular classes, tutorials, practicals and clinical classes are not being done regularly in most of the departments. Log Book is also not being maintained in many departments as per the NMC Guidelines.

So, all the Head are requested to arrange regular theory, clinical and practical classes as per the NMC Curriculum Vol. I, II & III and also maintain the Log Book. Prepared Routine should be sent urgently to Principal, Curriculum and MEU Co-ordinator. Report the department academic activity every month on regular basis to the Curriculum Committee.
