To,

The Dean/Principal,
All Medical Colleges.

Circular Regarding Assessment for the Academic Year 2016-17

Sir/Madam,

The Council has decided to verify the clinical material data (except bed occupancy) on the first day of assessment upto 2 pm. However bed occupancy would be verified at 10:00 a.m. on the first day of assessment.

It is further to inform you that the Standard Assessment Form and Declaration Forms have been modified by the Council and the revised forms have been uploaded on the Web-site of the Council. The same will be applicable for the assessments to be conducted for the academic year 2016-17. Hence these forms should be kept ready for handing over to assessors at the time of assessment. Any form filled in earlier format would not be accepted.

Thanking you,

Yours faithfully,

S/d

(S.Savitha)

Assistant Secretary
