Dear Sir

By way of introduction, my name is BasavanaGoudra and I am an Associate Professor of Anesthesiology and Critical Care Medicine at the Hospital of the University of Pennsylvania, Philadelphia, PA 19104, USA.

I have edited over 4650 multiple choice questions with full length explanations. The question bank is specifically aimed at PG aspirants preparing for NEET. I sincerely believe that the bank will decidedly help the candidates preparing for the NEET exam.

The questions and explanations are available in an interactive form on the website beattheneet.com

I have attached a flyer with the letter. I greatly appreciate if the flyer can be exhibited at an appropriate location for the benefit of the PG aspirants that might include medical students, house surgeons and those who have finished internship.

Yours sincerely
