88. Aryabhatta Knowledge University, Patna - Recognition of MD(Pathology) qualification for 2 seats in respect of students being trained at Shri Krishna Medical College, Muzzaffarpur.

Read: the Council Assessor's Report (27.09.2016) on the standard of examination and other teaching facilities for Recognition of MD(Pathology) qualification for 2 seats at Shri Krishna Medical College, Muzzaffarpur granted by Aryabhatta Knowledge University, Patna.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (27.09.2016) and decided to recommend not to recognize MD(Pathology) qualification for 2 seats granted by Aryabhatta Knowledge University,

Patna in respect of students being trained at Shri Krishna Medical College, Muzzaffarpur because of the following facts:-

1. Deficiency of faculty: (a) Asso. Professor: 2; (b) Tutor: 1.
2. Apheresis machine is not available.
3. Workload of CT guided FNAC, TT investigation is NIL in 2015.
4. Frozen Section, Histochemistry are not available.
5. Equipment like HPLC, Blood Gas Analyzer, PT & APT Analyzer are not available.
6. Pathological post-mortems are not performed.
7. There were only 2 research publications from the department in indexed journals in last 3 years.
8. Candidates appearing at the examination have not presented any poster/read or sent for publication any paper.
9. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.
