Notification

It has come to the notice of the University that Guide/ Supervisor of PG (MS/MD) has no direct involvement during the clinical-viva examination conducted by the University. The Guide is not supposed to be even present/ watch the performance of the candidate supervised by him in the examination. Considering the above mentioned fact and to make MD/ MS examination transparent and to improve quality of examination, following decisions are taken by the University: -

1. All the supervisors be directed to present during clinical-viva examination of the candidate whom they have supervised/guided during the training period of the PG course and shall be responsible to coordinate examination related work on the day of viva voce between the examinee and examiners.
2. In case of retirement of a Guide in mid session after supervising the candidate for more than 2 years, the same Guide should be retained as one the internal examiners of his candidate during university examination.
